Report of Principal and School Improvement Council

Gateway Elementary School is a Palmetto Gold award winning elementary school that provides an exemplary learning environment for all students. Situated in northern Greenville County, Gateway Elementary School serves approximately 685 students in 4K through 5th grades. At Gateway Elementary School, our goal is to ignite a curiosity and unique love of learning in all of our students, building the necessary foundation that will allow them to become creative, twenty first century learners, and successful adults. Each one of our classrooms is equipped with internet-accessible computers, portable laptops, instructional iPads and interactive Promethean Boards. All students have regular access to two computer labs, two portable laptop labs, an iPad library as well as a number of instructional technology programs that can be accessed at home and at school. At Gateway Elementary School, we are proud to offer RTI (Response to Intervention) services in reading and math to kindergarten through 5th grade students as well as accelerated instruction through challenge classes, differentiated group instruction in grades 3-5 and guided reading delivery methods. To assure that state of the art curriculum materials are utilized at all grade levels, Gateway funded a fully stocked Leveled Literacy Library and a Mentor Text Library on site.

Gateway Elementary School has been recognized with a number of awards and distinctions for academic excellence over the years. Most recently, Gateway Elementary School has celebrated recognition at the state level as recipient of the prestigious Palmetto Gold Award for the past three consecutive years.

At Gateway Elementary School, we believe that the success of our students is rooted in the strong bond that we enjoy with our surrounding community, and other major stakeholders. It is important that our students are active participants in community outreach projects that stretch beyond and within our walls. This year students and faculty members participated in Jump Rope for Heart, Box Tops for Education, St. Jude Math-a-Thon, Autism Speaks, community food drives, The United Way of Greenville County annual campaign, Roper Mountain Holiday Lights and St. Francis Festival of Trees.

During the 2012 -13 school year, Gateway became fully immersed in the Fountas and Pinnell Balanced Literacy delivery method for kindergarten through 5th grade students. Our teachers and administrative support staff are fully committed to engaging our students in learning experiences through in depth studies of literary genres and small group guided reading lessons tailored to the individual instructional level of each student.

Gateway Elementary School is committed to providing our students with a high quality, student centered educational program that represents a true learning community. We will continue to cultivate relationships within our community and provide opportunities for all students to become productive citizens and exceptional individuals.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Gateway Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
